Airport Hilton - Bloomington - 3800 American Blvd. East, Bloomington, MN 55425

Exhibiting Opportunities

The Center of Addiction & Faith is pleased to present our 5th Addiction & Faith Conference. Building on the strong success of our first four conferences, we anticipate bringing together 200 or more faith leaders from across the country to learn about addiction and how to respond to it. Our last conference had attendees from 32 states and 12 different denominations and over 20 exhibitors providing resources to faith communities.

This conference is for clergy, chaplains, deacons, deaconesses, caregivers, church staff, synod staff, parish nurses, youth leaders, addiction awareness teams, congregations, and the community of people in recovery. By inspiring, educating and equipping congregations, we can create a safe place for those afflicted with addiction and those who love them to recover a healthy life. Congregations need to learn how to be such a place.

We also welcome those from the world of addiction treatment: treatment center staff, counselors, therapists, and healthcare professionals--anyone interested in exploring the devastation of addiction and the role of faith in the healing process. Together, we'll enhance our knowledge about addiction recovery, share stories of learning and hope, learn tools and best practices, and celebrate our faith in God's abiding grace.

Why exhibit at this event?

To reach people:

- **Who do not typically attend other addiction conferences,**
- **Who regularly refer people for assessment, therapy and treatment,**
- **Who know little about resources available, even in their own communities,**
- **Who work with people in every season of life who need help.**

If your organization has a mission to reach those who struggle with addiction and mental health, this is the perfect venue for you to share what you have to offer. Sponsorship of events, exhibits, registration bag inserts and program advertising all offer your organization an opportunity to grow your contact list, network with faith leaders, and share your relevant experience.
